

Dear Folkmog Members

With summer now in full swing I trust all of you are taking the time to get out and about in your Morgans. We have seen some truly great events and there are more to come over the coming months. Our thanks go out to the organisers of the events – it is not an easy task, but they have worked hard to provide entertainment for us all.

The noggins seem to be going well and will no doubt become a feature of the Folkmog calendar going forwards.

Next events (some may be provisional) so far are.

WEBSITE

Wherever possible you will receive monthly update communications from myself to supplement the information both on the website and within Miscellany magazine.

IMPORTANT POINTS

1. We still have an urgent requirement to find a replacement for our long serving Treasurer and Track Day coordinator John Riley. The committee is more than happy to receive application for these roles separately it is not a requirement to take on both John has given many years of great contribution to the centre but feels it's time to hand over to new blood.
2. We have a need to receive response to the Gymkhana / Picnic event as it could be cancelled if we do not see more members come forward.
3. The club has purchased tickets for Culford and Helmingham car shows; we still have tickets available for both so please consider attending
4. Our annual Christmas Party is now booking, please book your hotel room directly with Hintlesham Hall and let John Riley know.

Happy Motoring in 2025

Steve Wilson,
Centre Secretary Folkmog
