

FolkMog "A Visit to Pakenham Water Mill" - Friday 20th June 2025

Pakenham Water Mill is the oldest working water mill in Suffolk, set in beautiful grounds.

Mill Road,
Pakenham
IP31 2NB

Please aim to arrive and park for around 10.45am. for a tour to start at 11am. The tour takes around 45 minutes. This is £8 per head.

There should be plenty of space for us all to park together.

The venue is dog friendly, but clearly that is only relevant to the lunch and not the tour itself.

Lunch will then be served at The Mill around 12.30pm - if the weather is kind to us, perhaps in the garden overlooking the tranquil mill pond. I have reserved 20 places, but we might be able to squeeze in a few more, if required.

The Mill serve a two course lunch which is a "Miller's Lunch" - their take on a Ploughman's. There should be freshly prepared salads, quiche, pork pie, British cheeses and bread made from their own milled flour. A small dessert consists of freshly baked scones or some other seasonal cake or pudding.

They can cater for Gluten Free, Vegetarian and Vegan - but do require advance notice. This will be £15 per head.

After lunch you can explore the grounds further.

Payment should be made individually on the day.
