The deal is as follows :-

- We will enjoy 7 x 20 minute slots on circuit exclusively for Morgan Sports Cars, strictly no timing allowed
- All pre-event registration will be on-line with MSV full details will be provided nearer the event, an electronic

check-in and briefing is mandatory for all drivers and passengers in order for you to collect your wristband at the

circuit and your drivers licence will also be checked by MSV at the circuit.

- We will have a number of pit lane garages available on a first come, first served basis
- Drivers/passengers will need to wear full face helmets, you will need to bring your own helmets, although MSV may be able to hire helmets but please check.
- Entrants should contact their own insurers to obtain cover for the day, please make it clear that you are taking part in a non-competitive, strictly no timing allowed track day, most Morgan Specialist Insurers provide cover f.o.c. or for a small fee.
- Our guiding principle for the day is to have fun stretching the legs of our cherished Morgan Sports Cars in a safe and courteous way on the fabulous Snetterton Racing circuit. Any questions please be in touch, we thank you for your support and very much look forward to welcoming you to our 8th FOLKMOG Track-day and having a superb day out with likeminded enthusiasts.
- We will provide a protocol and safety briefing document together with admin/joining instructions in good time for the event.

Note

- By virtue of Folkmog being contracted to pay the full hire fee to MSV, all payments made are on a non-refundable basis.

It is not our intention to make a profit, but we must absolutely cover the cost of hire as we will as we will be committed once under contract.

- We will be required to provide MSV with a full entrants list prior to the event, so please complete the attached form and return to office@wolfperformance.co.uk

Look forward to hearing from you all soon.

Best regards

John Riley and Michele Jarvis Joint Organisers FOLKMOG 2025 Track-day.
