

Dear Folkmog Members

This update follows on from our Mystery Drive on Saturday 10th May, our thanks to John and Janice for organising the event. The drive saw us following some interesting roads around the coast of East Suffolk.

The events for the summer and autumn are well in hand and the website is always being updated with the latest information. There are likely further pop-up events to announce during the coming weeks.

**On the website** [www.folkmog.net](http://www.folkmog.net) we have included events by our nearest MSCC neighbours (Anglemog and Cranmog) where we have been invited to attend. In addition, always remember to look in your Miscellany magazine and read about other Morgan Centres events where you might be able to book directly and widen your circle of Morgan friends.

Next events (some provisional) so far are.

#### NOTE:

Just a quick reminder that the Folkmog May Noggin in Stowupland will take place Wednesday May 21st.

The location has been chosen to primarily serve the southern part of the Folkmog territory. David Derrick is investigating opportunities for a similar event near Norwich but of course, everyone in MSCC is welcome irrespective of where you live.

The venue is The Crown, Church Road, Stowupland, Suffolk IP14 4BQ. Please arrive from 12 noon onwards. There is no need to pre order any food.

The next Noggin dates booked - the 3rd Wednesday of the month - will be June 18th, July 16th and August 20th

As we are in the early stages of the initiative, please let Nigel Bull know (07530345680 - [Crimsonmog@gmail.com](mailto:Crimsonmog@gmail.com)) if you will be attending or complete the form in the events section of our website.

#### WEBSITE

Wherever possible you will receive monthly update communications from myself to supplement the information both on the website and within Miscellany magazine. Please get yourself familiar with the website [www.folkmog.net](http://www.folkmog.net)

If you have difficulties to find information or if you want to query any events, please feel free to contact any of the committee members.

NOTE: It is your website, please send Colin any photographs or reports to be published. This can be reviews on our centre events but also any reports of events you think other members might enjoy, plus let us know of ideas for future centre events.

#### IMPORTANT POINTS

1. We still have an urgent requirement to find a replacement for our long serving Treasurer and Track Day coordinator John Riley. John has given many years of great contribution to the centre but feels it's time to hand over to new blood.

2. Thank you for the responses to the creation of regular noggins, Nigel Bull has booked a venue for a trial meet up in the south of the region to see if it works. If successful then he will coordinate and look to find a suitable venue in the north of the region.
3. Our annual Christmas Party is now booking, please book your hotel room direct with Hintlesham Hall and let John Riley know.
4. We still have a few places remaining for the Snetterton Track Day, if interested please contact John Riley

Happy Motoring in 2025

Steve Wilson,  
Centre Secretary Folkmog
