Dear all,

Just to confirm the details of the visit to Oxborough on the 15th.

Please meet PROMPTLY at 11.00 in the car park. A row will be made available for all to park together.

Postcode is PE33 9PS

NT members will of course be free, but for all others, in order to get the group discount, the NT will only accept one payment.

And as I am not that generous, it means, please bring CASH, (£12.35 each) so I can pay in one lump.

If the weather is ok, you can choose to bring a picnic and set up in the grounds.

Alternatively, you can purchase a drink and snack in the cafe, which, from personal experience, is quite good.

If the weather holds, some of you may wish to visit the Gooderstone Water Gardens in the afternoon. Entry is £9.00 They are just down the road, but there are no special arrangements for a group visit.

Postcode PE33 9BP

Looking forward to seeing you all soon.

Any questions, just email me.

Simon
