Colin,**please put on the website that we are full unless one person wants to join David. I will run a reserve list.****John**

Dear FolkMog member,

if you have this e mail it is because you asked to join the Mystery Drive on 10th May.
This is a reminder & an update that the Hodds will join us.

This is the joining instructions for the drive.

We will meet at the Landguard Peninsula Parking, View Point Rd, Felixstowe IP11 3TW.

The car park is between Languard Fort and the View Point Cafe. I will be waiting for you near the cafe where you will get a clipboard , pen, route instructions, questions & an answers sheet.

There are toilets in the cafe & you can park for free for 30 mins but you must put your reg in the machine & get a free ticket.

We will meet at 10:30 till 11:00. The drive is 62 miles or so and should take you between 2 to 2 hrs 30 mins. It will finish near Framlingham for a pub lunch. At the moment the pub is happy for you to order on arrival.

There are 3 petrol stations enroute which roughly evenly spaced and identified in the instructions.

Any questions please ask.

David Craik is keen to find a co pilot if you know anyone.

Right now we have no room for more cars as we are 29 people and 15 cars. We could manage a co pilot for David.

The runners are:-
