

Dear Folkmog Members

Summer is drawing to a close and has seen a good number of well attended events. The noggins have proven popular and as you can see below are to continue into 2026

The Autumn break in Whitby was a great success, thanks go out to all who attended and also to John and Tanja Webber for organisation.

Organising events takes time and a lot of hard work by a small number of people; our combined thanks go out to all the organisers. To help make events even more of a success please look at the website and book in.
